# LEGEND HILL GOLF RESORT

Legend Hill Golf Resort is 30km North East of Hanoi (about 30 minutes driving from the centre of Hanoi). It is located adjacent to the Soc Temple where Saint Giong (also called Phu Dong Thien Vuong), one of the "Four Immortals" in Vietnamese religion, is worshipped. The location is, at the same time, close to the Noi Bai International Airport (about 10 minutes driving), allowing convenient transportation access for golfers.

## ➤ Golf Course Designer

Legend Hill Golf Resort – 18 Hole, Par 72 Championship Design - is the first golf course in Vietnam designed by Nicklaus Design (US) - founded by the legendary golfer Jack Nicklaus. Nicklaus Design courses have hosted more than 600 professional tournaments, including one of the US PGA Tour's Flagship events "The Memorial".

The amazing beauty of the mountainous area of Soc Son and the investor's innovative philosophy to produce a golf course designed with the concept of "twin greens" has been a source of inspiration and challenge for the Nicklaus Design team. Golfers will, for the first time ever, have the unique experience of playing an 18-hole course with 36 greens complexes offering the most variation of course set up of any in Vietnam.

## ➤ Club House Designer

The Club House is elevated above the course overlooking the pristine 18th Hole surrounded by the contouring lines of mountain slopes and lakeside curves. With a classical contemporary as well as elegant, luxury style, it is designed by Z Design - the US leading group of architects specializing in designing luxury resorts, golf course clubhouses, and private clubs. Legend Hill's Club House is designed and invested with high-class, modern facilities and amenities offering golfers first class luxury setting.

## ➤ Driving Range and Ancillary Areas

The Driving Range and Ancillary Areas encompass over 5.7 ha and has been operating and servicing golfers and visitors. The driving range at over 300 meters in length combines natural grass and synthetic practice bays, 7 target greens, bunker and short game areas to compliment the Championship Course. The well appointed kiosk includes a lavish reception area, state of the art golf academy, locker rooms, bar, restaurant and pro shop.

## ➤ Construction Management

Flagstick (US), the world's leader in golf course construction management with more than 90 projects in more than 12 nation's world wide, is trusted to delegate the job of the golf course construction management. This is the very first project of Flagstick in Vietnam. Flagstick is currently cooperating with world famous golf course designers such as Nicklaus Design, Schmidt-Curley Design, Greg Norman, Nick Faldo,... The professional teams at Flagstick projects have earned numerous awards all over the world.

## ➤ Management Team

Legend Hill is operated by a team of experienced international PGA Professionals and Vietnamese managers. A highly skilled and experienced support team works in conjunction with the management to create an unparalleled service experience.
